Dolly's Dream

DOLLY'S DREAM PARENT INFORMATION SESSION

Supporting Parents in the Digital Age

Young people are spending more time online than ever before. While technology offers connection, creativity, and learning opportunities, it also presents risks that can be difficult for families to navigate alone. This workshop is designed to support parents and carers with practical knowledge, tools, and trusted resources to help keep their children safe online.

Thursday 20 August, 2026
6:00pm - 7:00pm

St Therese's School
School Library
135 Robert Rd
Bentley Park QLD 4869

ST THERESE'S SCHOOL
BENTLEY PARK

In this workshop you will learn to:

- Navigate today's rapidly changing digital world with confidence.
- Understand the impact of AI, screen time and emerging technology.
- Recognise the warning signs of bullying, scams and grooming.
- Foster kindness, resilience and respectful online behaviour.
- Encourage open conversations that strengthen trust and digital safety.
- Access practical resources to support your family long after the session.

Empowering families with the knowledge, confidence and practical tools to help children thrive - both online and offline.
