Changes to Levies

The Capital Levy is charged per family and incorporates the Building Fund & Maintenance Levies. The Technology Levy is now included in the Resource Levy.

Refund of Activities/Excursion Levy

All requests for credits for non-attendance at excursion activities should be made in writing to the Principal with accompanying documentation e.g. medical certificate. As most excursions/activities are prepaid by the School, and costs calculated on the full attendance of all students, a credit for non-attendance will only be considered if the School has been refunded for those students who were unable to attend. Unfortunately, due to this prepayment, refunds or credits will be unlikely. If non-attendance was because of a medical condition, please attach a medical certificate to your request for credit.
